

Artificial amateurs aren't at all amazing
Analytically, I assault, animate things
Broken barriers bounded by the bomb beat
Buildings are broken, basically I'm bombarding
Casually create catastrophes, casualties
Canceling cats, got their canopies collapsing
Detonate
a dime of dank daily doin' dough
Demonstrations, Don Dada on the down low
Eating other editors with each and every energetic
Epileptic episode, elevated etiquette
Furious, fat,
fabulous, fantastic
